RE: Architectural Review of project at (address)

Dear Sir or Madam:

Thank you for the recent submittal of your plans for development in the Colorado Technological Center. The Architectural Control Committee has completed their review of the submitted plans and has arrived at the following determination:

_____ The plans are approved as submitted with no further comments or actions required. This approval is contingent upon the final approval of your PUD and building plans by the City of Louisville.

_____ The plans are not approved due to the following items requiring clarification or revision. Please revise the plans as required to address these issues and resubmit the plans for further review.

Any further questions may be referred to Ms. Carla Wilson, the Property Manager for the owners' association, at (303) 431-8668.

Cordially,

Carla Wilson
Property Manager
